

EPISODE 6: MISSION

Gospel/Community/Mission review

Mission Statement: Just believing what Christ has said, not making up our own.

- The Great Commission- expressed variously
- Read covenant p. 7
- Pitting purposes against one another: worship, shepherding, etc.
- All for the glory of God.
- Matt 5:14-16

Relationships and Good works in our lives become opportunities to talk about God, and give him all the glory.

Acts 1:8- the circle of outward influence. Jerusalem, all Judea, Samaria, ends of the earth.

- Geographically close, culturally close to far away.

We love our community and want to reach them

- This means our gatherings are open and welcome to the lost. Our history.
- We want to attract and welcome outsiders.
- The NT concept of hospitality as an expression of the gospel.

Mission: We want to reach out. Not only wait.

- New people to faith in Christ
- Deliberate relationships in family, neighborhood, work, and school.
- Our outreaches

New leaders and missionaries

- Praying and training

New churches planted

- Our goal

What is your role?

- Different ways
- Serving
- Giving
- Praying
- Supporting, speaking
